

We create a better world by helping companies become great workplaces.

ABOUT THE ORGANIZATION

Great Place To Work® Institute is a global management research and consulting firm dedicated at enabling organisations achieve business objectives by building better workplaces. At Great Place to Work® Institute, we've spent 25 years tracking great workplaces and learning from their successes.

By surveying millions of employees and studying thousands of businesses, we've created a model for building performance based on trust. It's our contribution to a global shift in businesses that is changing the way the world works.

Our data show that building workplace trust is the best investment any company can make, leading to better recruitment, lower turnover, greater innovation, higher productivity, more loyal customers and higher profits.

Our model provides specific, actionable steps to get organizations there. While clients are the ones to lead their organization on this journey, we provide steady guidance from one of our 49 offices around the world.

Companies of all sizes look to us for our assessment tools, trainings, advisory services, conferences and workshops. The world looks to us to identify the best workplaces through our renowned lists produced by our best workplaces study teams. It's all part of our passion to create a better world by helping organisations become great workplaces.
